A screenshot of a web browser displaying a 'RAILWAY TICKET BOOKING' form. The form is titled 'QR CODE GENERATION' and is set against a light blue background. It contains several input fields: 'Name', 'Age', and 'Mobile No.' are text inputs; 'Seat' is a dropdown menu with '3' selected; 'Boarding Station' and 'Destination' are dropdown menus with 'Madurai' and 'Marappuram' selected respectively. There are two buttons, 'SUBMIT' and 'CANCEL', below the 'Mobile No.' field. The form is part of a larger application, as indicated by the browser's address bar and the Node-RED interface visible in the background.
